Who do you work with?

Yammer is for connecting with your co-workers at Microsoft Technical Communities. Follow at least a few colleagues to grow your network. We'll show you relevant content based on your coworkers. The more you add, the more relevant the content will be.

I work with:

Drew Benson

Relevance score: 20%

All the features you'd expect from Yammer in a free, standalone application.

[Download the Yammer App](#)

The screenshot shows the Yammer desktop application window. The title bar reads 'Yammer'. The interface includes a search bar, navigation tabs for 'My Feed', 'Groups', and 'Messages', and a main content area with a post from Devon Mitchell about 'On-Going Training'. The post includes a link to 'Improving Customer Success.docx' and shows engagement metrics like 'Liked by Ted Stevens and Linda Fong'.
